**EDSI AND LIVING UNLIMITED DOCUMENTARY SELECTED A  
WINNER IN THE 34th ANNUAL TELLY AWARDS**

**Dearborn, MI – August 6** – The Telly Awards has named EDSI and Living Unlimited as a Bronze winner in the 34th Annual Telly Awards for their piece titled “Music Therapy.” With nearly 12,000 entries from all 50 states and numerous countries, this is truly an honor.

The winning entry, entitled “Music Therapy,” is a 9-minute documentary highlighting the field of music therapy and related services provided by Living Unlimited Inc. The video spotlights three music therapy clients and their families, sharing stories about the impact that music therapy and Living Unlimited has had on their lives.

The video can be viewed at the following link - <http://www.youtube.com/watch?v=ZRK-0Wp6y8w>

The Telly Awards was founded in 1979 and is the premier award honoring outstanding local, regional, and cable TV commercials and programs; the finest video and film productions; and online commercials, video and films. Winners represent the best work of the most respected advertising agencies, production companies, television stations, cable operators, and corporate video departments in the world.

For its 34th season, The Telly Awards once again joined forces with YouTube to give the public the power to view and rate videos submitted as part of the People’s Telly Awards. In addition to recognition from the Silver Telly Council, the judging panel that selects the Telly Awards winners, the Internet community helps decide the People’s Telly Awards winners.

A prestigious judging panel of over 500 accomplished industry professionals, each a past winner of a Silver Telly and a member of The Silver Telly Council, judged the competition, upholding the historical standard of excellence that Telly represents. The Silver Council evaluated entries to recognize distinction in creative work – entries do not compete against each other – rather entries are judged against a high standard of merit. Less than 10% of entries are chosen as winners of the Silver Telly, the highest honor. Approximately 25% of entries are chosen as winners of the Bronze Telly.

“The Telly Awards has a mission to honor the very best in film and video,” said Linda Day, Executive Director of the Telly Awards. “EDSI and Living Unlimited’s accomplishment illustrates their creativity, skill, and dedication to their craft and serves as a testament to great film and video production.”

“We are thrilled to be recognized by the Telly Awards for our video about music therapy. Living Unlimited has an exceptional team, and it was a pleasure to see, first hand, the lives they are impacting through their work. I hope this video helps many more people learn about music therapy,” said Adam Woloszyk, EDSI videographer.
